

Why IQ-EQ France

The seeds of our business in France were sown over 20 years ago when entrepreneurs established separate forward-thinking firms. Each was built on business expertise, dedication to client satisfaction, bold projects and authentic relationships. Those businesses have been brought together to form a unique offering in the French market.

Why choose IQ-EQ in France?

Holistic offering: We understand that you have needs across the different segments and asset classes, we can provide one of the most complete sets of offerings for alternative asset managers, private and institutional asset owners in the market

Proprietary and market technology solutions: Technology is a key component of our strategy “data as a service” provider. We have developed our own technology solutions such as IQ-EQ Cosmos, our multi-asset class portfolio monitoring platform

Global network: You have structures and investments’ needs across the globe and we can accompany you by delivering expertise across each of our 25 jurisdictions

We use **industry-leading fund administration and accounting software** such as FIS Investran or rely on key market players such as Maxcomply™ to digitalise our investor’s on-boarding & digitization of KYC / AML procedures

ESG solutions: To help you to be in line with ESG regulations, we have developed a comprehensive ESG solution for asset managers, investors and portfolio companies based on Compass to strength compliance diagnostic and reporting
